

Black Box Testing - Assessment 3

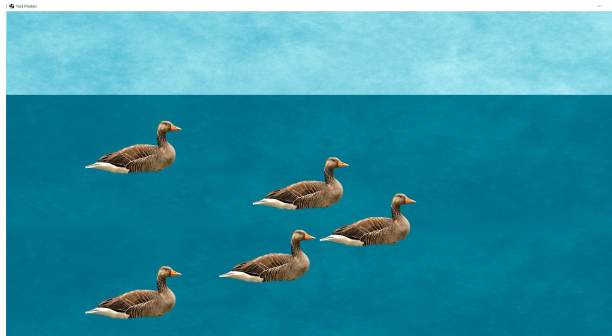

Test ID	Description	Expected Outcome	Outcome	Result	Problems?	Action Taken	New Result	Tester
1.01	Air wall between map part 1 and 2	If user has not captured all colleges there is an invisible wall blocking you.	Works as expected		Not completely clear why it's blocked	Message displayed at top detailing how to progress		Jiahao (Charles) Wang
								

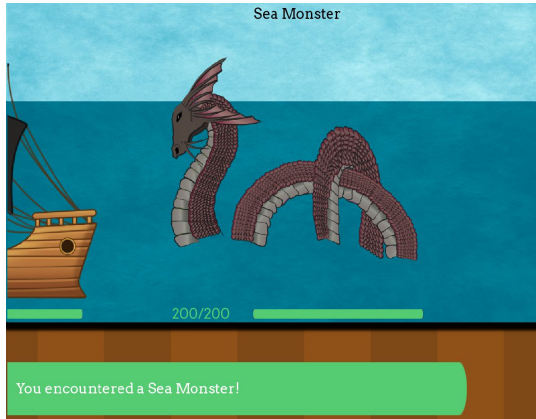

1.06	Colleges unique	Unique colleges loaded in battle	Non unique colleges loaded into battle		Not even an existing template, just a set of variables passed into combat.	Implementation put in to setup unique colleges called and then passed into battle.		Benjamin Hassell

1.07	Win condition	Defeating the boss (final college) shows end screen	As expected		N/A	N/A		Benjamin Hassell

	<div>WIN</div>							
1.08	Departments have ways to spend plunder	Option to buy in shops	Works as expected		N/A	N/A		Jiahao (Charles) Wang
	<div>Welcome to Derwent Repair Ship for 2 gold Successful repair Add 10 attack for 2 battles10gold Add 3 accuracy for 2 battles20gold</div>							
1.09	Weather damage	Storming weather damages you over time	Works as expected.		N/A	N/A		Jiahao (Charles) Wang

	<div><div>Neutral Territory</div><div>weather current affects region1 you current inregion1 Current Weather in affected area isStorming</div><div></div><div><div>66/100</div><div><div></div><div></div></div></div></div>							
1.10	Weather Points	Whilst in storming weather, point gain rate increased.	Works as expected		N/A	N/A		Jiahao (Charles) Wang
	<div><div>Goodricke Territory</div><div>weather current affects region3 you current inregion3 Current Weather in affected area isStorming</div><div></div><div><div>Points: 544 Gold: 95 Attack Buff: 0 Accuracy Buff0</div></div></div>							
1.11	Weather expanded	Several types of weather (for future adaptation)	Works as expected, neutral doesn't damage unlike storm.		N/A	N/A		Jiahao (Charles) Wang

								
1.12	Minigame betting	You can bet on a goose only if you have money and if it wins you get the gold	Gold not correctly rewarded (should double bet)		The way they were called meant the IDs were in reverse	Swapped the IDs so that they were the correct way around		Spencer Atkins
								
1.13	Minigame access	Minigame can be accessed from colleges	Works as expected		N/A	N/A		Spencer Atkins

	<div><div>Add 3 accuracy for 2 battlesz0gold</div><div>Geese Racing</div></div> <div><div>You have:20G</div><div>Pay 100G to play?</div><div>Quit</div></div>							
1.14	Minigame movement	Geese move as expected	Works as expected		N/A	N/A		Spencer Atkins
								
1.15	Lake monster spawns	Lake monster spawns randomly only in neutral zone.	Lake monster spawns anywhere		Lake monster doesn't spawn just in neutral even though it seemed like it should from the code	Changed the neutral zone as a valid college allowed it to spawn in neutral alone.		Tia Briggs

								
1.16	Lake monster battle	Lake monster battle is identifiably different from normal battles	Works as expected		Lake monster uses same attacks as the other ships which aren't very "monster-esque"	Not a necessary thing to fix, picture and identifier were enough.		Tia Briggs
	<div>Enemy Sea Monster dealt 12 with Tail Whip!</div>							
1.17	Collision	No collision problems	Collision problems when adjusting window		When dragging the screen whilst moving towards an island the collision seems to not work.	There is no direct fix other than possibly filling in the islands, problem not severe so not a priority fix		Jiahao (Charles) Wang

**Shops
consistent**

**All shops
display
consistent
results**

**Inconsistency
when buffs
purchased**

**After buying buffs,
your stats increase,
permanent boosts
based on stats so
amplifies price
extremely.**

**Not a necessary fix
as it is temporary,
though it is
troublesome.**
